REQUEST FOR CLARIFICATION OF STATUS

Sir:

A Notice to File Missing Parts of Non-provisional Application was mailed in connection with this application on October 19, 2001. Applicants responded to the Notice to File Missing Parts on December 13, 2001 (please see the Completion of Filing Requirements attached hereto as Appendix A), and those documents were received by the PTO on January 7, 2002 (please see our postcard receipt attached hereto as Appendix B).

Part of the documents filed December 13, 2001 (and received by the PTO on January 7, 2002) included the original Assignment document, which has since been recorded by the U.S. PTO and returned to applicant's undersigned representative (please see the Notice of Recordation of Assignment document attached hereto as Appendix C). The PTO PAIR system, however, does not indicate that the documents filed December 13, 2001 were ever received at the U.S. PTO. In fact, there are no entries on the PTO PAIR system for this application subsequent to the Notice to File Missing Parts mailed October 19, 2001.

In view of the foregoing, the PTO is requested to clarify the status of this application. The documents in Appendices B and C hereto clearly prove that all documents filed

December 13, 2001 were received by the PTO on January 7, 2002. Should the PTO need additional copies of any of these documents, the appropriate official is requested to contact applicant's undersigned representative.

Respectfully submitted,

Stephen P. Burr
